

## The Beatles - Yesterday

**G**            **G F#m**        **B7**                    **Em**    **Em**  
 Yesterday,      all my troubles seemed so far away  
**C**        **D**                                    **G**        **G**  
 Now it looks as though they're here to stay  
       **Em** **A7** **C**        **G**  
 Oh, I believe in yesterday.

**G**            **G F#m**        **B7**                    **Em**    **Em**  
 Suddenly,        I'm not half the man I used to be,  
**C**            **D**                                    **G**        **G**  
 There's a shadow hanging over me.  
       **Em** **A7**        **C**        **G**  
 Oh, yesterday came suddenly.

**F#m** **B7** **Em**    **C**            **D**        **D**            **G**        **G7**  
 Why she had to go I don't know she wouldn't say.  
**F#m** **B7**    **Em**                    **C**        **D**        **D**        **G G**  
 I      said something wrong, now I long for yesterday.

**G**            **G F#m**        **B7**                    **Em**    **Em**  
 Yesterday,      love was such an easy game to play.  
**C**        **D**                                    **G**        **G**  
 Now I need a place to hide away.  
       **Em** **A7**        **C**        **G**  
 Oh, I believe in yesterday.

**F#m B7 Em C D D G G7**

Why she had to go I don't know she wouldn't say.

**F#m B7 Em C D D G G**

I said something wrong, now I long for yesterday.
